GUILTY****FINDING**There being a finding/verdict of ☒ **GUILTY**, defendant has been convicted as charged of the offense(s) of:

Wire Fraud in violation of Title 18 U.S.C. § 1343 as charged in Count 4 of the 1st Superseding Indictment.

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether defendant had anything to say why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of: **SEVENTY (70) MONTHS**

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

It is ordered that the defendant shall pay restitution in the total amount of \$3,165,090 pursuant to 18 U.S.C. § 3663A. Defendant shall pay restitution in the amount ordered to victims as set forth in a separate victim list prepared by the probation office which this Court adopts and which reflects the Court's determination of the amount of restitution due to each victim. The victim list, which shall be forwarded to the fiscal section of the clerk's office, shall remain confidential to protect the privacy interests of the victims.

The Court finds from a consideration of the record that the defendant's economic circumstances allow for restitution payments pursuant to the following schedule: Restitution shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program. If any amount of the restitution remains unpaid after release from custody, nominal monthly payments of at least 10% of defendant's gross monthly income but not less than \$500, whichever is greater, shall be made during the period of supervised release and shall begin 30 days after the commencement of supervision. Nominal restitution payments are ordered as the Court finds that the defendant's economic circumstances do not allow for either immediate or future payment of the amount ordered. If the defendant makes a partial payment, each payee shall receive approximately proportional payment unless another priority order or percentage payment is specified in the judgment.

The defendant shall comply with General Order No. 01-05.

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established that

he is unable to pay and is not likely to become able to pay any fine in addition to restitution.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of three (3) years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation Office, General Order 05-02, and General Order 01-05, including the three special conditions delineated in General Order 01-05.
2. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from custody and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.
3. The defendant shall participate in an outpatient substance abuse treatment and counseling program that includes urinalysis, breath and/or sweat patch testing, as directed by the Probation Officer. The defendant shall abstain from using alcohol and illicit drugs, and from abusing prescription medications during the period of supervision.
4. During the course of supervision, the Probation Officer, with the agreement of the defendant and defense counsel, may place the defendant in a residential drug treatment program approved by the United States Probation Office for treatment of narcotic addiction or drug dependency, which may include counseling and testing, to determine if the defendant has reverted to the use of drugs, and the defendant shall reside in the treatment program until discharged by the Program Director and Probation Officer.
5. As directed by the Probation Officer, the defendant shall pay all or part of the costs of the Court-ordered treatment to the aftercare contractors during the period of community supervision, pursuant to 18 U.S.C. § 3672. The defendant shall provide payment and proof of payment as directed by the Probation Officer.
6. During the period of community supervision, the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment.
7. The defendant shall not obtain or possess any driver's license, Social Security number, birth certificate, passport or any other form of identification in any name, other than the defendant's true legal name, nor shall the defendant use, any name other than his true legal name without the prior written approval of the Probation Officer.
8. The defendant shall not engage, as whole or partial owner, employee or otherwise, in any business involving loan programs, telemarketing activities, investment programs or any other business involving the solicitation of funds or cold-calls to customers without the express approval of the Probation Officer prior to engaging in such employment. Further, the defendant shall provide the Probation Officer with access to any and all business records, client lists, and other records pertaining to the operation of any business owned, in whole or in part, by the defendant, as directed by the Probation Officer.
9. The defendant shall cooperate in the collection of a DNA sample from the defendant.
10. The defendant shall apply all monies received from income tax refunds, lottery winnings, inheritance, judgments and any anticipated or unexpected financial gains to the outstanding Court-ordered financial

obligation.

The Court authorizes the Probation Office to disclose the Presentence Report to the substance abuse treatment provider to facilitate the defendant's treatment for narcotic addiction or drug dependency. Further redisclosure of the Presentence Report by the treatment provider is prohibited without the consent of the sentencing judge.

The Court informs the defendant of his right to appeal.

The Court recommends placement at FCI Dublin and in the RDAP Drug Treatment Program. If that is not available, the Court recommends placement in a Northern California facility.

The Court attaches Exhibit B from the Government's sentencing documents regarding custody time spent in Tonga regarding this action.

The Court GRANTS the Government's motion to dismiss the remaining counts of the 1st Superseding Indictment and the underlying indictment as to this defendant.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.

Subject: Pedras Jail Time Credit

Hi Ivy:

Hope this is well. This morning, I received this email from Tongan Police regarding Pedras' jail time in Tonga. Hope this is helpful:

"Mr Pedras was first arrested on 29 September 2015 and was in police custody at the Central Police Station from 1210 pm to 4.38 pm, when he was released on bail the same day.

Due to health issues, Mr Pedras remained on Court Bail, until his arrest on 14 September 2016, when the Extradition Order was confirmed.

Mr Pedras remained in police custody at the NukuNuku Police Police Station until 30 September 2016, when he was removed.

The remand at NukuNuku, which is a smaller station, allowed greater monitoring of Mr Pedras and visits from medical practitioners."
